MEMORANDUM FOR: Chief, Ops Support Division  
Security Office, GE73

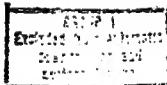

SUBJECT : Request for Letter Drop

1. This will confirm our 13 August 1962 telephone request for a letter box to be established in New York City, on an indefinite basis, to be serviced once weekly. The drop is designed principally to be used as an emergency communications channel in support of a WE asset resident in Cuba; we are instructing the agent to whom the drop will be issued to use the facility, under circumstances other than emergency, only in the event he is outside the Cuban area.

2. Any material collected in this facility should be sent immediately to E. James McTighe, 3B2613, extension 6393.
